Rita:

I have (just two) reports of the link not working, but I think people are entering it incorrectly.

I've rechecked the link I've emailed, made sure it was correct on our latest mailing, and even typed it in manually...on two different devices, using two different browsers. All attempts work for me.

Would you be so kind as to try it and let me know if you have any issues?

<http://eepurl.com/cXTV3j>

Thank you!
